

Meeting Room Policy

This policy governs the use of residence hall meeting room space by DOR staff, student groups and University Departments. These spaces are not available to non-university groups during the academic year.

The following spaces are available for reservation:

 - Eaton 1105

 - Other spaces may be used if schedule permits
 - Tables near Dining lines are also available for reservation.
- Residence hall students and staff have priority in the reservation of these rooms.
 - Groups using DOR meeting rooms are required to follow all policies in the Residence Hall Policy Handbook. This information can be found on the DOR website at <http://www.housing.iastate.edu>.
 - The general policy is that no more than three future reservations may be held at one time for each group. During the “summer” months, May-August, we limit reservations due to our summer conference operation and also to give our staff an opportunity to set their meeting schedules for fall semester.
 - Our buildings are open 6:30 am – 11:00 pm. Reservations from non-student groups cannot go beyond this time limit.
 - Property within each room such as pictures, furniture, works of art or any equipment may not be taken from the room. Any person found in possession of or damaging articles belonging to the DOR will be subject to disciplinary actions and payment for damages.
 - Food and beverages are permitted in these rooms. There is an exception in 136 UDCC that non-student groups are required to purchase all food and beverage through ISU Dining (<http://dining.iastate.edu/catering/>). Student groups are encouraged to purchase from ISU Dining. SORM policies regarding food must be followed. Any mess left from the consumption of food and beverage must be cleaned thoroughly by the group. Alcoholic beverages are not permitted.
 - No tape, adhesive tacks or other mechanical devices may be used to attach signs to the walls or DOR property.
 - Groups or individuals will be charged for excessive cleaning or any damages to the meeting rooms and equipment.
 - The DOR will not be responsible for any articles lost in the building.
 - Use of the facilities does not in any way imply that the DOR endorses, encourages, or approves the purpose of the user.
 - Scheduled activities must not disrupt or interfere with other meetings, or scheduled activities.
 - Smoking is prohibited in DOR buildings.
 - The DOR does not allow loitering or overnight sleeping in the public spaces.

Room Set-Up

Each meeting room has a standard room set. The group may alter the room set, but the room must be returned to the original configuration. Generally, the set-up of the room when you enter should be the same set-up when you leave. The standard room sets can be viewed on the DOR website <http://www.housing.iastate.edu>
